

BEEKMAN PLACE ESTATES
ASSOCIATION
SWIMMING POOL REGULATIONS
2024

The pool will be open from 10:00 AM to 8:00 PM daily, and will be closed during electrical storms, or during any other weather conditions which warrant closing.

The pool, and pool area, are for the exclusive use of Beekman occupants and their guests. Occupants are responsible for the conduct of their guests.

Please use your key for entry into the pool area. If you require a new key, see the Beekman Maintenance Supervisor during working hours or the pool manager. There is a \$25.00 charge for the first key, and all subsequent keys will cost \$50.00 each. These large fees are to deter residents from giving their key to nonresidents.

Do not open the gate for any other residence or guests. They must use their own key to enter the pool area.

Sign in when you enter the pool area, listing yourself, your unit number, and the # of guests joining you. A maximum of SIX people from one unit, including resident(s), is the allowable limit at any one time.

All persons using the pool area shall comply with the requests of the pool attendant/pool manager regarding matters of personal conduct. The Board of Managers has authorized the pool attendant/pool manager to give a person verbal warning upon receiving a First Violation of pool regulations. If a Second Violation occurs, the pool attendant/pool manager has the authority to suspend pool privileges for a full day. A Third Violation may result in a week's suspension and any further Violations could result in suspension for the rest of the summer. Incidents will be recorded in a daily log.
