Dear Unit Owner:

Greetings from HUB International Insurance Services! We are pleased to serve as the Insurance Agency representing the Master Insurance Policy for Beekman Place Estates Association.

In an effort to assist you, as a unit owner at the Association, we have put together a brief summary of what is covered under the Master Insurance Policy. We hope you will use this letter as a guide when purchasing your own unit owner's insurance policy.

**What is covered?**

The Master Insurance policy is written on a "Special Form", which includes coverage for: fire, lightning, windstorm, hail, explosion, riot, aircraft and vehicle damage, smoke, theft, vandalism, falling objects, weight of ice, snow or sleet, collapse, frozen pipes, convector units, and mechanical breakdown of commonly owned equipment etc.

**What is not covered?**

The Master Insurance policy will not cover wear and tear, deterioration, mold, damage by insects or animals, settling or cracking of foundations, walls, basements, roofs etc. There is no coverage for damage caused by leaking or seeping from appliances or plumbing including from around shower, bathtub, toilet and sink. These events are properly classified as maintenance items.

**What items are insured under the policy?**

The policy insures all the buildings of the association for their full original replacement as originally built. This includes bathroom and lighting fixtures and building service equipment, heating & air conditioning services, ceiling surfaces and tiles, all interior partitions,

**What happens if I make upgrades to my unit?**

The master policy does not include coverage for betterments and improvements made to the condominium units; for example, finished basements are the responsibility of the owner.

**What is the Master Policy's deductible?**

The goal is to prevent small losses from being filed as insurance claims. The Master Insurance Company has provided the following deductible to serve as a "risk management" tool to help reduce the cost of insurance for the Association.

**\$25,000 per occurrence deductible**  
**\$25,000 per unit all perils deductible**

This will spread the risk of losses to you and your Homeowners Insurance Company as well as the Association's Master Policy. For example, a kitchen fire causing damage to your unit, your HO-6 policy could be required to pay for the damage up to the \$25,000 deductible on the Master Policy.

**Your Insurance:**

Unit Owners should carry insurance for their own benefit insuring their furniture, furnishings and other personal property located within their Units or appurtenances and for such as is not covered by the Condominium master policies as well as the master deductible.

**Your individual policy should be endorsed to include special coverage for your unit (this endorsement is commonly referred to as an HO 17 32 Special Coverage A endorsement). You should confirm that your Coverage A limit on your HO-6 Unit Owner policy is equal to at least: \$25,000 to cover the master policy's deductible. Some insurers may include this coverage under loss assessment, so it is recommended to increase this limit as well.**

If you are a non-resident owner, you should look carefully at a Dwelling Policy in order to obtain the insurance you need to avoid gaps in coverage with the master policy.

**We recommend that you share this letter with your personal insurance agent to confirm that your unit owner (HO6) policy contains the appropriate coverage. This additional coverage can be obtained at a minimal cost.**
