Spring / Summer 2026

Dear Residents,

On behalf of the 2026 appointed Board of Managers, I'm pleased to introduce myself as your Beekiman President and to extend a warm greeting to everyone in our community.

As we welcome the warmer months, I'd like to take a moment to thank each of you for helping make our community such a pleasant place to live. Spring and summer bring new energy to our property, and it's always great to see neighbors out enjoying the grounds and connecting with one another.

Over the past few months, the Board has been focused on maintaining and improving our shared spaces. You may have noticed seasonal landscaping updates, routine maintenance work, and a few small enhancements designed to keep our property safe, attractive, and enjoyable for everyone. We appreciate your patience during any temporary inconveniences these projects may have caused.

Looking ahead, we encourage all residents to take part in keeping our community at its best. Simple actions—like following parking guidelines, properly disposing of trash and recycling, and being mindful of noise—go a long way in maintaining a respectful and welcoming environment for all.

As always, we value your input. If you have suggestions, concerns, or would like to get more involved, please don't hesitate to reach out or attend a Board of Managers meeting. Strong communities are built on communication and participation.

Wishing you an enjoyable spring and summer season.

Warm regards,
Barry Solomon, President
Board of Managers

Just a friendly reminder that feeding birds and squirrels around the condo property is not a good idea. While it may seem harmless, it can lead to several issues such as attracting larger numbers of animals, creating a mess and property damage, and encouraging wildlife to become dependent on human food. For the health of the animals and the cleanliness and safety of our community, please avoid feeding them.

Remember—Age is just a number!

If you are 55 years young, you are eligible to enjoy all that the Agawam Senior Center has to offer. In addition to recreational activities and entertainment, many outreach services are available (Brown Bag, Meals on Wheels, Fuel Assistance and SHINE, just to name a few!) Weekly lunches are also offered for a minimal charge. To ensure your wellness, you can take advantage of the weekly blood pressure checks, hearing aid and foot nurse appointments—and even Facials—all are offered at the Center!

Take some time to check out the dates for some enjoyable outings, such as monthly ballroom dances, craft groups, computer classes and comedy shows. Occasionally, valuable educational seminars are sponsored by various support groups such as Medicare, and Register of Deeds. A most notable event is the first Ice Cream Social of the season scheduled for Wednesday, May 27th at 12:15 in the Center's Dining Room!, and is open to the public. Who doesn't love ice cream! Also open to the public, consider attending the 2nd Annual Car Show and Food Truck Event scheduled to take place on Tuesday, June 9th at the Agawam Senior Center (free parking lot shuttles to the show will be available!) For a complete listing and schedule of events, you are invited to download a copy of the monthly "Senior Scene" from the Town's website at www.agawam.ma.us or simply drop by the Senior Center in person at **954 Main Street, Agawam, MA.**

Guaranteed, you will be greeted and welcomed with a smile!
